in just eight months, from July to March, or two for every one of our 50 years! That was a feat we should give PDG Tony Quila credit for.

This year, PDG Tony is at it again, not to do a repeat of last year's coup, or even aspire to half of it, but simply to do his work as PHF chair, i. e., get non-PHF's to become PHF's, PHF's to add to their contribution, multiple PHF's to become major donors, and major donors to step up to the next level.

From the looks of it, he's going great guns again. Last week, PDG Sid Garcia, a major donor, moved from Level 1 to Level 2, with his whole family moving up with him—Ann Tesha, sons Inigo and Maui, and daughter Yna. The week before, Cesar Cruz joined the ranks of major donors, with additional contributions in the name of his Ann Baby, Reynaldo Cruz (posthumous) and Leslie Ann Cruz.

This being the 100th year of The Rotary Foundation, it is only right that we redouble our giving to TRF so that it may be in a better position to carry on

## RYLA 2016 — AN EXPERIENCE TO TREASURE

By: Mark Gil Cato

**W**ith today's fast-paced lifestyles and increasing pressures and demands, being at the top of our game requires treating ourselves like well-oiled machines. And our participation in the Rotary Youth Leadership Awards (RYLA) 2016 couldn't be more timely! It was a great experience, rich in leadership training and enjoyable recreation.

Hosted by the Rotary Club of Muntinlupa North headed by **Pres. Elvie Quiazon**, RYLA 2016 was held at Shercon Resorts, Mataas na

**P**DG Sid Garcia put everyone in the right frame of mind with a recitation of St. Ignatius of Loyola's Prayer for Generosity: "Lord, teach me to be generous. Teach me to serve you as you deserve; to give and not to count the cost, to fight and not to heed the wounds, to toil and not to seek for rest, to labor and not to ask for reward, save that of knowing that I do Your will."

**Butch Jimenez**, full name **Richard Michael Jimenez**, who took his oath as a Rotarian on August 30, introduced himself through the classification talk. Points: Engaged in the importation and nationwide distribution of hydraulic and pneumatic equipment through his company, EB Control Center, and in a call center (MVP Account Management) that provides outsourcing services such as encoding and loan processing. Married to **Armi Enriquez- Jimenez**; two kids: a 14-year-old boy who in enrolled at Xavier and a 12-year-old girl, who studies in ICA. A true blue, dyed-in-the-wool Atenean, he studied at the ADMU from prep through an Economics degree. Deeply influenced by the Jesuit ideal of being "a man for others" and a Fr. Cruz, who hammered in his psyche the importance of helping build the country: "I don't want to see you at the US embassy lining up for a visa. I want to see you build your field of dreams here, in the Philippines and employ people." He explains: "That's why I decided to build my companies here and to employ Filipinos here." Another big influence is **Jun Enriquez**, his father-in-law, "Mr. Golden Voice" he calls him, who encouraged him to join Rotary and use it as a platform for his man-for-others calling.

**PDG Tony Quila** presided over another TRF recognition and pinning ceremony last week, this time for **PDG Sid Garcia** and his family who came in full force—**Ann Tesha**, sons **Inigo** and **Maui**, and daughter **Yna Garcia-Villavicencio**. PDG Sid & Tesha, having contributed at least USD25,000, moved from Level 1 to Level 2, with PDG Sid receiving a pin with two diamonds, Ann Tesha a pendant with two diamonds, and

both, as a couple, receiving a crystal. Inigo got his 3rd PHF, while Maui and Yna both got their second.

**Pres. David Ackerman** invited Maui to become a member of the Club, saying that he has already attended three meetings and thanked the Garcias, especially "my idol" and adviser PDG Sid, for the generosity. He also thanked those who attended the monthly fellowship, Friday Night Lights, on the 7th, which doubled as a thanksgiving celebration for the success of *Annie the Musical*, with special thanks to **PP Carlo Rufino** and **IPP**

with its lofty mission "to do good in the world." Our goal this year is to become a 100% PHF Club, which is why PDG Tony is applying his salesmanship skills and persuasive powers to get the few of us who aren't PHFs yet to join our PHF roster.

Thank you, PDG Sid and Rtn. Cesar, and thank you, PDG Tony, for all the hard work.

\*\*\*\*\*

Thanks, too, to all those who attended the FNL last October 7, which also turned out to be a thanksgiving bash for our successful fundraiser, Annie the Musical. I want to thank PP Carlo Rufino and IPP Eddie Yap for providing the catered food, and Hiro Oba for the lechon, and the everyone who came for perking up the night. I hope to see more of you at the next FNL on November 4.

\*\*\*\*\*

Today we have for our guest speaker NRCPO Chief Oscar Albayalde who will apprise us of the peace and order situation in the metro, especially in relation to drugs. As you can see, we have covered almost all the exciting, current news that surrounds us, with DILG U-Sec. Jesus Hinlo speaking on jail management last week and the week before that, Ms. Catherine Julia Nebrija, MMDA Asst. General Manager for Operations, letting us in on the plans of MMDA on traffic management and other aspects of the development plan for the metro. My thanks to our members who have contributed to our lineup of speakers--Dir. Porsche Pena, Dir. Boy Artech, and Ramon Garcia, and PE Jun Jun Dayrit for making sure that our programs are well coordinated.

\*\*\*\*\*

I am sounding off another call to join us for a trip to Taiwan on 3-10 November to attend the 55th charter anniversary of

our sister club, RC Taoyuan, on November 6. We've decided to go there a few days before the event and to stay a few days after to enjoy the place and have more bonding time with our Taoyuan brothers whose hospitality, we are told, is awesome. Confirmed to be in the party so far are PDG Robert & Yvonne Kuan, PP Sonny & Terry Tambunting, PP Carlo & Cat Rufino, and of course my Ann Mache. I hope we can get more of you to join us. We had a pretty big group--15 Rotarians and Anns-- in the Kuala Lumpur trip, so I am hoping we can organize as big a group for Taoyuan.

\*\*\*\*\*

We have received another invite, this time from a brother club, RC Baguio North, which is holding its induction on November 14 at the Baguio Country Club. This will be a good time to renew our matched-clubs relations with Baguio North and our personal friendships with their members and to enjoy the city's pleasant weather. Additionally, let us be there to show support for PDG Robert Kuan who will be the guest speaker. Those who intend to join the trip are requested to sign up with the secretariat.

\*\*\*\*\*

Finally, here's something for our golfers: You are invited to play at the President's Cup at the Manila Golf Club on November 25 (not on the 21st as previously announced). We are grateful to PRID Paing Hechanova for not only agreeing to take charge of this sporting event but also for offering to host lunch. The Club will shoulder the green and caddy fees, so all you have to do is show up and swing away.

While at it, you might as well sign up for the second leg of the Governor's Cup on November 28th, a Monday, at Ayala Greenfield Golf & Leisure Club in Putting Lupa, Calamba, Laguna. Let's aim for a berth in the Tournament of Champions.

Kahoy, Batangas last September 17-18, 2016. The theme was “Transformational Leadership and Servanthood Towards Sustainable Communities.” Rotaractors were emboldened to create a vision and inspire other people to effect the positive change they want.

Having attended RYLA two years ago with the same host club, I can say that this year’s RYLA was superb! We were delighted with the fancy venue, delicious food, and numerous prizes and giveaways! They invited great speakers who were generous enough to share their knowledge, wisdom, and passion with all of us. We were privileged to hear from **PP Dona Ado** of RC Muntinlupa North, CEO **Third Domingo** of ideasmachina, Newscaster **Pia Arcangel** of GMA 7, Pres. Elvie Quiazon of RC Muntinlupa North, **Pastor Moses Akoh** of Team Ministries International, Branch Head **Sheena Shroff** of Shroff International Travel Care, Inc., Councilor **Dhesiree Arevalo** of Muntinlupa City, ASEAN Best Executive **Gordon Stevenson**, and **PP Emy Magdangal** of RC Makati Cristo Rey. We even had a mini concert when Moses Akoh, a contestant from I love OPM, showcased his talent. Everyone sang, filling the room with beautiful singing!

There were plenty of indoor and outdoor activities. On the first day, we were divided into groups for the task of creating a song incorporating the 4-Way Test. Everyone’s creativity was certainly

unleashed! In addition, we played the “Boat-Is-Sinking” and “Paint-Me-A-Picture” games, which surely had everyone laughing.

RYLA Olympics was conducted on the second day. After dancing during our calisthenics or zumba session, we were grouped into four color-coded teams: green, orange, pink, and purple. We played different relay games using such items as the hula hoop, coins, and a ball. We also had the chance to find our way through a maze and experience the excitement that zipline and rappelling bring! The competition was stiff, and in the end, the pink team emerged as champion.

Wearing our “End Polio Now” shirts, we felt honored to be part of a group picture that would show our staunch support for Rotary’s fight to end polio. We were told it will be posted on Rotary’s website. Wow!

Later on, **Gov. Edna Sutter** arrived, energizing the participants with her presence. What an honor! Then, some staffers of Shercon Resort entertained us with a dance number. The event was capped with the distribution of certificates of attendance and the conferment of the RYLA 2016 Youth Awards. Three Rotaractors were selected to receive the RYLA 2016 Youth Award. And Rotaract Club of Makati is proud to share that we bagged one of the awards! The event came to a

close with a group picture showing all of us wearing our RYLA shirts, sun visors, and sling bags. How cool! And of course, who would forget about swimming? We went pool hopping afterwards!

“Are you happyeeee? Then, show meeee!” was the popular line bandied about throughout the event. It was, in a sense, the battle cry of Pres. Elvie Quiazon of host club RC Muntinlupa North. She and her team made RYLA 2016 a very rewarding experience for all.

We can’t thank the Rotary Club of Makati enough for sponsoring me and Prame Cato. Also, thank you to the Rotaract Club of Makati for choosing us as representatives of our club to the event. And we thank RC Muntinlupa North for the meticulously-planned and well-executed program that we thoroughly enjoyed. We learned a lot, gained new friends, and felt privileged to be part of this prestigious organization. We will definitely treasure this experience!

**Eddie Yap** for providing the catered food and **Hiro Oba** for bringing the lechon. He also expressed the hope that more Rotarians and Anns (yes, FNL is a “boys night out” no longer) will show up for the next FNL on November 4.

Noting the recent lineup of guest speakers, including NCRPO Chief Oscar Agbayalde today, he thanked those who have invited them—**Dir. Porsche Pena**, programs chair, **Dir Boy Arteche** and **Ramon Garcia**, and Admin **Dir./PE Jun Jun Dayrit** for ensuring that the weekly program is well coordinated.

He put out invites to two trips—the first, to Taiwan on Nov. 3-10 for the 55th charter anniversary on Nov. 6 of our sister club, RC Taoyuan, with four couples in the party: **Pres. David & Mache Torres**, **PDG Robert & Yvonne Kuan**, **PP Sonny & Terry Tambunting**, and **PP Carlo & Cat Rufino**; the second, to Baguio on Nov. 14 for the induction of our brother club, RC

Baguio North, at the Baguio Country Club, with **PDG Robert Kuan** as guest speaker.

Finally, he reminded our 20 to 30 golfers of the President’s Cup on Nov. 25 at the Manila Golf Club, with **PRID Paing Hechanova** sponsoring the event and hosting lunch buffet and the Club to shoulder the caddy and green fees. If interested, please call the secretariat or Pres. David. One other golfing event is the second leg of the Governor’s Cup scheduled for Nov. 28 at the Greenfield Golf & Leisure Club in Calamba, Laguna.

**Mr. Jesus Hinlo Jr.**, undersecretary of the Department of the Interior and Local Governments (DILG), spoke at length about the current situation of and the problems besetting the Bureau of Jail Management and Penology (BJMP), one of the agencies under DILG. He clarified that city and municipal jails, where suspects are detained while their cases are being prosecuted in court, are under the DILG, while the national penitentiary, a.k.a. Bilibid Prisons, is

under the Department of Justice. Both are bedeviled by a very serious problem: congestion. Citing statistics, e.g., 507% national congestion rate in jails, Mr. Hinlo explained that congestion is spawning other problems among inmates, not the least of them issues on health and order. He also mentioned two other problems/concerns: a measly meal allowance of P50 per inmate per day, or just about P16/meal; lack of vehicles for transporting inmates to and from the courts for the hearing of their cases; and the very low guard-to-inmates custodial ratio that puts both inmates and guards at risk.

U-Sec. Hinlo challenged Rotary Clubs to help the government by initiating an “adopt a jail program,” a challenge that **PE Jun Jun Dayrit** accepted, promising to get other Rotary Clubs to help alleviate the congestion and to rehabilitate drug users. He was quick to add, though, that President Duterte might generate more support if he’d go slow with the profanity-laced rhetoric.

## CAMPOS FAMILY OFFERS 3-YEAR SCHOLARSHIP TO PID PUPIL

As the lead advocate for the Philippine Institute for the Deaf (PID), **PP Cesar Campos** and his family have taken a five-year-old hearing-impaired child under their wings with a generous scholarship gift that spans three years.

**Cazie Louise de la Cruz** was selected as the recipient of a P240,000 scholarship package that will see her through three years at the PID. The amount covers tuition and other fees.

Cazie is the product of a broken family. Her parents are separated and she lives with her father and grandmother. She suffers from profound hearing impairment and is only now beginning to speak a little.

The money was collected from guests, who were requested to make a donation to the PID in lieu of gifts, during

*From L-R: Jan Campos, PP Cesar Campos, Dra. Ludy Campos, Wilzen M. Dela Cruz (father), Cazie Louise P. De Leon, Ms. Maribee Lamers and Principal Maricris Ibayon.*

the thanksgiving party of the Camposes at the Manila Polo Club in July. A majority of the guest/donors were RC Makati Rotarians.

The check has been turned over by the Camposes to PID principal **Maricris Ibayon**. The De la Cruzes wrote a thank-you letter to the Camposes, while Cazie

crafted a thank-you card expressing her gratitude for the wonderful gift.

PP Cesar has been the Club's primary supporter of the special school. He has in fact chaired the Teaching the Deaf to Speak Committee for over two decades.

## PP FREDDIE BOOK DONATION

The library of a school in Brgy. Matalangting in Sta. Maria, Laguna has been enriched with a donation of a complete set of encyclopedia from the Family Health & Nutrition Committee headed by **PP Freddie Borromeo**. The school has a population of 50 students.

Donation of books and bicycles is an auxiliary, value-added component of the program, which centers on the provision of supplementary feeding to malnourished children in schools and communities.

The books, which were delivered to the school on September 13, were donated to the committee by **Chito Cantada**.
